

Design is not just
about how a place looks;
it is about how it must.

Your thought
gives us the lead.

product and pricing manual 2012

AN ISO 9001: 2008 CERTIFIED CO.

Glossy white

Glossy White

White shines and exudes cleanliness, rich and glossy. It is as always closest to what you wish to show as honest and sincere.

Carbon grey

Carbon Grey

Metallic shows power, gleam and austerity in its different shades and gives an ambience authority.

Metallic

Metallic Copper

Metallic Black

wood

Antik wood

Wood is one constant reminder of nature and everything natural and is the coziest of all textures exuding cool in daytime and comfort with sunset.

Matt wooden

Burma Teak

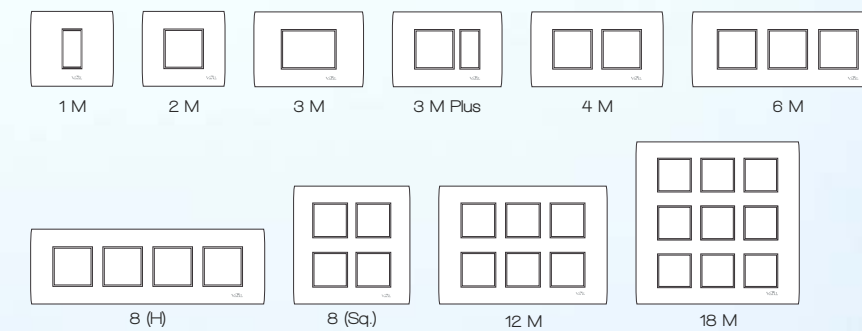

Matt Wood

When thought begets **Inspiration** it creates **advancement** in a piece and makes it **masterpiece**.

Looks appeal only with aesthetics and colors enhance the same. It's all about defining the right mood. You give us a vision and we make it a creation that not only appeals to you it elevates the variety of thoughts that you must live to feel your best and believable.

Edge is synonymous to adventurous heroism called attitude these days and so it is alright to understand that our advanced range offers features, sleek and chic. It is technology and attitude put together.
